ROHS/REACH

Declaration of Conformity

Ref: EU Directive 2011/65/EU (RoHS 2) / Regulation (EG) Nr. 1907/2006

According to our knowledge products supplied by Elmatic (Cardiff) Ltd do not contain substances in concentrations that would be forbidden or declarable under the currently valid requirements of the EU Directive 2011/65/EU (RoHS 2) and Regulation (EG) Nr. 1907/2006 (Reach).

This includes the four phthalates DEHP, BBP, DBP and DiBP. The EU-commission proposes their restriction in a revision of Annex II of the directive RoHS 2 (ref. G/TBT/N/EU/256), the June 2017 update to Annex XV11 (restrictions List REACH), and the July 2017 update of the SVHC Candidate list (REACH).

We supply this information to you in the best of our knowledge and belief based on the information we have received from our suppliers.
